REF: Contract [REDACTED]

Dear Doug,

We have carefully reviewed all of the invoices under the above referenced contract which were related to the amount disallowed by your letter of May 11, 1960. We find that all of these invoices constituted commitments incurred by [REDACTED] prior to the end of February, 1960. The amount involved therefore constitutes a proper charge to the above contract. Our voucher covering these costs is enclosed.

Also enclosed are our regular monthly billings for July under Contracts [REDACTED] and [REDACTED] Task Order #1.
